TERMS AND CONDITIONS OF SALE

This list cancels all previous quotations. All agreements and contracts are made subject to crop losses through unavoidable causes. They are also subject to the ability of the shipper to obtain the necessary man power to dig and pack material and to priorities on material and transportation which may limit, restrict and make impossible performance thereunder.

THE PRICES in this list are based upon present market and labor conditions, and are subject to change without notice. These are wholesale prices and apply only for resale. Our prices are **lower** than most wholesale nurseries and we consider our plants **much better**. They are grown in sandy loam which makes the root development twice or three times the average size and very bushy.

TERMS. Our prices are very low and our stock is very good. We are not in a position to do a large credit business. Orders will be booked and acknowledged on receipt of 25% of the amount of the order. Orders will be shipped Express—C.O.D. for the balance—at the time customer desires. If payment is sent in full with order—deduct 3% for cash discount and receive free packing and boxing. Orders may be called for at our nursery (on advance notice) and paid for at that time. For a 10% deposit we will book and reserve orders for Spring or Fall. However, all C.O.D. shipments must be one-fourth paid before we ship to guarantee acceptance.

SHIPPING. Customers are requested to give definite shipping instructions, otherwise we will use our own judgement but with the distinct understanding that it is without responsibility on our part. All shipments travel at the risk and cost of the purchaser. All shipments will be sent express (F.O.B., Wheaton, Ill., or Bridgman, Mich.) unless requested otherwise. Stock may also be called for at our nursery at Warrenville, Ill., by making arrangements.

BOXES AND BALES will be charged at actual cost. No charge is made where payment is made in full with order.

CLAIMS for any cause must be made promptly on receipt of goods. Any stock that is not exactly as represented must be reported promptly and on authority should be returned to us immediately. We will cheerfully and without question credit back the unsatisfactory plants, or send others; but we will not entertain claims made after goods have been once accepted, or when report is not made within ten days after arrival of the stock.

LIMITED LIABILITY AND NON-WARRANTY. We express or imply no warranty as to productiveness or life of the stock we sell. It is mutually agreed that our liability for untruthfulness to name is confined to free replacement or refund of purchase price plus interest, and should the stock prove to be untrue to the name under which it is sold, it is further agreed that such adjustment shall be the liquidated damages and all the damages to which the purchaser shall be entitled by reason of the premises.

INSPECTION AND FUMIGATION. Certificate of Inspection will be furnished with every shipment, and, when required, stock will be fumigated.

SPECIAL NOTICE. Correspondents are requested to use their printed business letterheads. We do not quote prices to retail buyers. We use every effort to limit the distribution of trade prices to those whom we know to be entitled to receive them.

LOCATION. We are located 30 miles west of Chicago, Illinois, eight miles southwest of Wheaton, Illinois, and five miles northwest of Naperville, Illinois.
